Material Safety Data Sheet — Vent Clips

Emergency Telephone #: 1-800-424-9300 (24 Hours) CHEMTREC

1. Chemical Product and Company Identification

Product Name: Vent Clips
Company Identification: UView Ultraviolet Systems Inc.
1324 Blundell Road
Mississauga, Ontario, Canada
L4Y 1M5
(905) 615-8620 (for inquiries only)
Issue Date: February 7, 2008

2. Composition/Information on Ingredients

Chemical Name	CAS Number	%W
Vent Clips	Proprietary	100%

Hazards Disclosure: This product contains no known hazardous materials as defined by the OSHA Hazard Communication Standard 29 CFR 1910.1200. As defined under Sara 311 and 312, this product contains no known hazardous materials.

3. Hazards Identification

WHMIS Classification: **D2B**

HMIS Rating -	**Health:**	**1**
	Flammability:	**0**
	Reactivity:	**0**

4. First Aid Measures

Eye Contact: No known hazards
Skin Contact: No known hazards
Inhalation: No known hazards
Ingestion: May cause choking. Not a food product.

5. Fire Fighting Measures

COC Flash Point: >100 ^{o}C
Autoignition Temperature: N/A
Fire & Explosion Hazards: No known unusual hazards in a fire/explosion situation.

6. Accidental Release Measures

Safeguards: Treat or dispose of waste material in accordance with all local, state/provincial and federal regulations.

7. Handling and Storage

Handling: Always keep containers tightly closed to avoid contamination.
Storage Precautions: Protect containers from physical damage.

8. Exposure Controls/Personal Protection

Exposure Guidelines: No information available

9. Physical and Chemical Properties:

Melting Point……: 270 ^{o}C

10. Stability and Reactivity

Chemical Stability: Stable under normal conditions of storage and use.
Hazardous Polymerization: Will not occur
Hazardous Decomposition Products: Decomposition will not occur if handled and stored properly. In the case of a fire, oxides of carbon, hydrocarbons, fumes and smoke may be produced.

11. Toxicological Information

No Information Available

12. Ecological Information

No Information Available.

13. Disposal Information

Waste Disposal: Treat or dispose of waste material in accordance with all local, state/provincial and federal regulations.

14. Transportation Information

DOT Information: Non-Regulated
TDG Information: Non-Dangerous

15. Regulatory Information

Miscellaneous Information: This material or all of its components are listed on the Inventory of Existing Chemical Substances under the Toxic Substance Control Act (TSCA) and the Canadian Domestic Substance List (DSL).

16. Other Information

Reason for Issue ……: New Product
Prepared By .....……..…..: Stan Lem
Approval Date.....…….....: February 7, 2008

Additional Information: The data in this Material Safety Data Sheet relates only to the specific material designate herein. It does not relate to use in combination with any other material or in any process.
Disclaimer of Liability: The information is furnished without warranty, expressed or implied, except that it is accurate to the best of our knowledge and belief. However, since the conditions of handling and use are beyond our control, we make no guarantee of results, and assume no liability for damages incurred by use of this material. Although certain hazards are described herein, we cannot guarantee that these are the only hazards that exist. It is the responsibility of the users to comply with all applicable federal, state/provincial and local laws and regulations.
